Dear Visitor

- We have a passion for Wellness
- We are members of World Wellenss Organization
- Today the Whole World is focused on illness
- The fear of illness has gripped the world
- World Wellness Organization has a vision to crate a World of Wellness.
- We have a mission to create World Wellness Consciousness among one Billion people by the year 2020.
- We do this by Education and Empowerment.
- We organize Direct Dialogues, Wellness Camps, Walks, Rallies, Wellness Congresses at the Regional National and International Levels.
- We are looking for individuals who can take leadership to organize wellness councils at Neighbourhood City/Town, State and National level.
- If you love wellness and willing to contribute to humanity. You are welcome to partnership with us. Please register now.
- Please also tell us who do you know.
